### **Perdana Petroleum higher 2Q14 net profit**

PERDANA Petroleum Bhd registered a higher net profit of RM24 million or 3.25 sen per share for the second-quarter ended June 30, 2014 (2Q14), against RM13.1 million it posted for the same period in 2013. The increase is mainly due to higher vessel utilisation, increase in the number of vessels and charter rates in the current quarter. Revenue for the period rose to RM88.5 million as compared to RM71.6 million in 2013. For the cumulative period of six months, turnover rose to RM175.8 million compared to RM128.4 million it posted in the same period in 2013. The petroleum company said in an exchange filing yesterday that it remains optimistic that the oil and gas support services in the domestic and regional markets will remain stable.
