## **1. OBJECTIVES**

- I. Set out the responsibilities of the Group in using, managing and safeguarding the personal data gathered from internal and external parties.
- II. Provide information and guidelines to person handling and managing the personal data.
- III. Ensure that the Group is in compliance to the Personal Data Protection Act 2010 and all laws governing personal data.

## **2. DEFINITIONS**

- Personal Data is any information which may identify a data subject, in which it may be identifiable by one type of personal data or/and a combination of other personal data.
- Sensitive Personal Data is information relating to the physical health or condition, political opinions, religious belief or other belief of similar nature.
- Processing is the act of carrying out any operation or set of operations on personal data.
- Commercial Transactions are any transactions of a commercial nature which includes the exchange of goods and services, investments, agency, financing, banking and insurance.
- Vital Interest are matters relating to life, death or security of a data subject.
- Third Party is a relevant person in relation to a data subject, a data processor or a person authorized in writing by the data user under the direct control of the data user.

## **3. DETAIL POLICIES AND PROCEDURES**

### **PART 1: COLLECTION, PROCESSING AND USE OF PERSONAL DATA**

- I. In general principle, the Group is not allowed to collect and process any personal data without the consent of the data owner.
- II. All data owner must be issued with the Group's Personal Data Processing Statement and must sign and consent to the content of the statement before any personal data can be collected and processed.

	<b>PERSONAL DATA PROCESSING POLICY AND PROCEDURES</b>	<b>PDPPP</b>	
		Page 3 of 5	
		Rev 0	May 2020
		PPB	Controlled Copy

- III. All use of personal data collected must be in line with the consented Personal Data Processing Statement.
- IV. All use of personal data gathered must only be done for lawful purposes, meaning that the use is necessary and directly related to the Group's business activities.
- V. All type of data gathered must not be excessive and reasonable.

## PART 2: PERMITTED DISCLOSURE UNDER THE LAW

The Group is permitted to disclose personal data other than what has been outlined in the Personal Data Processing Statement only under the circumstances outlined below;

- I. The data subject has given his/her consent to the disclosure.
- II. The disclosure is necessary for the purpose of preventing or detecting a crime, or for the purpose of investigations, or, is required or authorized by or under any law or by the order of a court.
- III. The disclosure is justified as being in the public interest in circumstances as determined by the law.
